3M™ Scotchlite™
Reflective Graphic Film Series
5100R/IJ5100R, RG5100R and FN5100R

5 New Colors!

3M™ Scotchlite™ Reflective Graphic Film Series 5100R gives vehicle graphics bright, sharp nighttime and daytime visibility to enable increased advertising, identification and safety 24 hours per day. This film's durable, flexible construction and "on-demand" removability for up to four years make them ideal for graphics on commercial fleets, public service and leased vehicles.

Backed by the 3M™ MCS™ Warranty, film series 5100R is available in white and five colors and can be used with a wide range of imaging options.
